Dear General Manager,

Re: **Review of the Viability of Creating an Indigenous Digital Television Service**

Following discussion by the Board of Management at their meeting on 16<sup>th</sup> July, 2004 I am writing to advise that the Aboriginal Housing Board of Victoria fully supports the creation of an Indigenous Television service.

The Board of Management do not have a strong preference in relation to the way in which the Indigenous Television service is provided and the main objectives that it should have are:

- It should inform, entertain and educate all viewers whether Indigenous or non
- Indigenous
- It should maintain and promote Indigenous culture
- It should provide employment and training opportunities
- It should be self supporting

Thank you for the opportunity to provide our view on this matter and it would be appreciated if we were placed on the mailing list for the final report and any other material arising from the review.

Yours Sincerely,

Ms. Bev Murray,  
Chief Executive Officer
