11 ALLOWABLE COSTS (CLAUSES 7.2, 7.5, 7.6, 7.7, 7.8, 7.9)

- 11.1 Allowable Costs are limited to:

- (a) costs of compliance with the Scheme;
- (b) costs that are incurred in advance of signing up Customers; and
- (c) costs that are incurred for each Customer signed up.

1. Costs of compliance with the Scheme

- 11.2 These are the costs of participating in and complying with the Scheme and performing the Activity, and include the following costs:

- (a) developing products and systems for performance testing;
- (b) developing systems to make it possible for You to comply with the reporting requirements of the Scheme under this Agreement; and
- (c) administrative costs of other arrangements that are specific to the Scheme and the Activity, and would not be incurred in the normal operation of the business.

2. Costs that are incurred in advance of signing up Customers

11.3 These include up-front costs that are incurred to enable You to sign up future Customers for a HiBIS Service. These would typically be 'lumpy' costs, and would include costs for:

- (a) planning approvals;
- (b) site acquisition;

11.6 Costs that are excluded from Allowable Costs are the following:

- (a) general administrative costs of operating the business, including staff costs, and corporate and business overheads, such as office rental, power, computing, insurance and travel;
