

NETWORKING THE NATION PROGRAM
PROJECT FUNDING LIST – AUSTRALIAN CAPITAL TERRITORY
As at JUNE 2005

Note: Some of the Project Descriptions are currently under review

Project Number	Project Name	Project Recipient	Project Description	NTN Funding Provided
ACT1998/002	Regional Telecommunications Strategy	Australian Capital Region Development Council Inc	This project conducted a regional telecommunications strategy which investigated the region's current telecommunications needs and options, as well as the level of awareness and skills in relation to IT usage in the region.	\$45,000
ACT1998/004	ACROnline - Australian Capital Region Online Suppliers Network	ACT Chief Minister's Department	This Project has developed a comprehensive website to enhance promotion of the Australian Capital Region. The project also involved the 19 councils in the Australian Capital Region developing and maintaining online 'cultural maps' to promote the local values of their areas. The project included training and support.	\$525,250
ACT1999/005	Healthy.Communities@SENSW	Australian Capital Region Development Council	The project provided enhanced access and utilisation of online services within the Australian Capital Region. Its lasting legacy throughout the region is by way of a community and health based web reference portal, regionally based Internet Access Points and a more educated and 'technology savvy' regional community. Over 1000 people attended the regional internet training sessions in small to medium regional centres through out the Australian Capital Region.	\$840,000
ACT1999/006	Connecting the Capital Region	Australian Capital Region Development Council Inc	This project conducted a series of awareness raising and training courses to stimulate the uptake of online services across the Australian Capital Region. The project concluded with a demand aggregation and business case exercise to attract enhanced telecommunications infrastructure to the region, in association with corresponding initiatives on the NSW south coast.	\$329,360
